Who We Are

We don't settle for just getting families off the street. At Family Promise of Mid Michigan (FPMM), our mission is ending homelessness—one family at a time.

For the past 10 years, we've walked alongside families with children—many of whom are considered Category 2 homeless: doubled up with other families, living in motels, or bouncing between unsafe situations. These families are too often invisible in the homeless system, but we see them—and we show up for them.

What started as a shelter program has evolved into full-scale wraparound support. Through SHIP (Shared Housing Intervention Program) and Bright Futures, we now provide food, tutoring, internet access, job help, life skills, transportation, and case management designed to keep families together and stable.

With just three staff, we've served over 3,500 children in 1,350+ families—and the need continues to grow.

Join us for this event and help build brighter futures for families who deserve more than survival—they deserve stability.
